

_____ **POLICE DEPT.**
HEAD INJURY
PREVENTION PROGRAM

GOOD JOB!

The _____ Police Department is participating in a special program to increase the number of children who wear helmets while bicycling, skateboarding and skating.

We just wanted to pass along this special THANK YOU for being a role model and setting an example for others to see.

Your police department is issuing tickets for helmet law violations, but this is a special ticket for you!

Local merchants are offering food coupons, just like the one attached to this ticket, to acknowledge and reward kids who do wear helmets properly and securely.

KEEP UP THE GOOD WORK!

Remember, there is no cure for a brain injury. If you know someone who does not wear a helmet and cannot afford one, ask this officer how they can get a free helmet.
